Online Orders

Many more products, sizes, and quantities are available via our online gallery/ordering portal. Visit <http://gallery.kerrvillephoto.com/> to find your team gallery. Online orders are drop-shipped to your door.

FREQUENTLY ASKED QUESTIONS:

What if I don't pay for an order on picture day? What about online orders?

You will have a chance to make selections online, **but the online prices are a bit higher**, and will add sales tax and shipping costs to your order since these orders must be fulfilled separately. Visit gallery.kerrvillephoto.com to place an online order after the fact.

What is a "Memory Mate"?

A Memory Mate is an 8x10 print that includes the team photo and individual photo, along with sport-related graphics and the player's name. For unique groups, such as band, the Memory Mate might be modified to showcase the appropriate photo/photos. View our website for examples.

What is the "All Digital" package?

This package provides high resolution digital images instead of prints. Many clients have requested to purchase the digital assets rather than prints so that they can share the images on social media, make collages and photo books, and to keep the files archived for long-term safekeeping. The digital package is optional, and it can be purchased in addition to a print package. Files will be emailed to the address on the order form when complete.

Can I order "Add-Ons" like buttons or magnets?

The add-ons on the front page of this order form are **only offered to clients who have selected a standard print package from the left-hand column or the all-digital package**. Orders that ask for add-ons but don't select a print package will be refunded and no items will be ordered. Keep in mind that these add-ons are also available on our website once the league's images have been uploaded, and these and other items can be shipped straight to your door in any quantity you need!

How do I pay with Venmo?

If you wish to pay with Venmo, please include your Venmo user name on the order form under the payment section, and then send your order total to @YatesKerrville (Aaron Yates). To verify, my phone number is 830-214-7635.

Can I pay with a credit card?

Yes, but you must bring it in person on picture day. You can also order with CC online. See first FAQ above about online orders.

How long will it take to get my order?

If you place an order with this form on picture day, you should expect to receive your products within a couple of weeks. These orders are usually distributed by the school or by the coach of your team.

What about "special" images such as my two children together, or a player and coach, player and parent, small groups, seniors, linemen, etc.?

These images will also be included in the online gallery in our gallery website when completed. You must order these "special" photos online. These photos will be taken after all of the "official" photos are taken, schedule permitting.
